PROFESSIONAL SUMMARY

Passionate technology and AI enthusiast pursuing a B.Sc. in Information and Communication Engineering at Pabna University of Science and Technology (PUST). Strongly interested in Artificial Intelligence, Machine Learning, software development, and research with a vision to develop innovative solutions for real-world challenges. Experienced in leadership, team management, public speaking, and volunteer coordination through active involvement in national and international organizations. Former Senior Executive at Bangladesh Space Research Society (BSRS) and Management Trainee in the Communication Department at Youth School for Social Entrepreneurs (YSSE). Represented Bangladesh as a Student Ambassador at the Dubai Global Youth Summit 2025. Skilled in research, communication, debate, project management, and community engagement, with certifications in Power BI, Microsoft Office, Graphic Design, Digital Marketing, and Leadership. Committed to continuous learning, innovation, and contributing to the advancement of technology and society through research and global collaboration.
